

The Kindness Ambassador's Fact Sheet

You are a Kindness Ambassador!

Your mission is to share the Good News and the Kind Facts about donation with your school community. Here is your official fact sheet.

★ THE HERO'S GIFT (What is it?)

- ✓ **Kind Fact:** The gift of donation is a “Hero’s Pledge” to give a “spare part” (like a heart, lung, or kidney) to help someone who is sick.
- ✓ **Kind Fact:** One single “Helping Hero” can save the lives of up to 7 people and help many more through eye and tissue donation.

★ THE TRUE TREASURE (Why is it important?)

- ✓ **Kind Fact:** The gift is not just a spare part — it is the “Treasure of More Time.”
- ✓ **Kind Fact:** It gives a person and their whole family the chance to fill their “Treasure Map” with new “Golden Memories” and “Dream Adventures.”

★ THE HERO'S TEAM (How does it happen?)

- ✓ **Kind Fact:** The gift is only possible because of an amazing “Helping Hero Team.”
- ✓ **Kind Fact:** This team includes:
 - The First Heroes (the donor family)
 - The Team Managers (coordinators)
 - The Super-Mechanics (doctors)
 - Everyone works together like a powerful relay team.

★ THE HERO'S PLEDGE (How does it start?)

- ✓ **Kind Fact:** In Australia, becoming a donor is a 100% “Opt-In” choice. That means no one is a donor automatically — you must choose to make the Hero’s Pledge.

★ THE HERO'S ECHO

(The Most Important Fact of All!)

✓ **Kind Fact:** Because it is an opt-in choice, the most important step is to share your kind wish with your family.

This is called “starting your Hero’s Echo.”

It makes sure your heroic wish can be heard and cared for.
