

# Harriet the Heart

## Dot-to-Dot Challenge

Connect the dots, colour in, and learn how your heart is a real-life superhero! 🧐 ♀️ 🩺 🎨

### ✨ Instructions:

1. Start at Dot 1 and connect the numbers in order until you reach the end.
2. Watch as Harriet the Heart takes shape with every connection!
3. Once you've finished the outline, grab your favourite colours and decorate Harriet in your own style.
4. Fun Fact: Did you know your heart beats around 100,000 times a day? That's a lot of love power! ❤️
5. Share your colourful creation with a parent or teacher — and tell them something you learned about your heart!
