

Body Matching Memory Game

Learn how your organs and tissues work by matching their names, pictures, and superpowers!

🌱 How to Play:

Match-a-Body: Organs, Names & Jobs!

1. Print the Match-a-Body Game PDF – ask a grown-up to help.
2. Cut out the cards: one set with organ names, one with pictures, and one with what each organ does.
3. Mix up the cards and lay them face up on the table or floor.
4. Start matching! Can you find the name, picture, and function that go together?
5. For an extra challenge, time yourself or play in teams and see who finishes first!

🏆 Goal: Match all the sets correctly and become a Donate Buddies Body Genius!
