

# Donate Buddies

♥ Help the Children Get Their Life-Saving Donation!

(Ages 5-7) 🎉

Welcome, Little Heroes! ☀️

Oh no! These children need your help to find the right donation to stay strong and healthy! Each child has a different condition, and they need either an organ or tissue donation to help them feel better. Can you guide them through the maze to their matching donation? 🏃‍♂️ 🗺️

## 🔍 How to Play

- **Print the maze** and grab a pencil or crayon. 🖍️
- **Look at the children** at the top of the page. Each one is waiting for a special donation!
- **Follow the paths carefully** and help each child find the right organ or tissue match at the bottom.
- **Draw a line to connect** them and make sure each child gets the donation they need! ❤️
- **Celebrate!** You just helped save lives like a real Donate Buddy hero! 🎉

## 👨‍⚕️ Example Matches

- **A child with heart disease** → Find the path to a donated heart ❤️
- **A child with kidney failure** → Find the path to a kidney 🍲
- **A child with severe burns** → Find the path to skin donation 🙌
- **A child with vision loss** → Find the path to cornea donation 👁️👁️

## 🚀 Ready to Play?

Print out your Donate Buddies Maze PDF and match the donations! ✨
