

The Friendship Key

(Year 3 - Ages 8-9):

Lesson 2 of 9

Name: _____ Class: _____

Student Worksheet

Activity: What's the Key?

Task: To be a good friend, you need to find the "Friendship Key" by understanding what is important to others. Think of a group you are in (like your family, your class, or a sports team). List or draw three things that are important to your group.

My Group: _____

Student Worksheet

Activity: Design a Friendship Key

Task: Now, design a special Friendship Key for a group you know. The shape of the key and the symbols on it should show what that group cares about most. (For example, a key for a soccer team might be shaped like a soccer ball!)
