

# Trick or Treat: Donate Buddy Edition!

## Tag, Treat & Learn!

Hey there, spooky superheroes! 🦹♂️ 🦹♀️

Get ready for a Halloween adventure with a life-saving twist! Use these special Donate Buddies gift tags for your treats, classroom activities, or party games. Each tag has a fun surprise or fact about organ and tissue donation hidden underneath—or you can add your own message!

👻 Use the tags to:

- ✉️ Attach to Halloween treats with “Did you know?” organ donation facts
- 🧠 Write a kind message or mystery transplant-related riddle
- 🎁 Play a “Tag & Trade” game—match tags to correct organ buddy fun facts!

## DID YOU KNOW?

Izzy helps turn food into energy—so you can power through Halloween fun! 🌀

## DID YOU KNOW?

Your liver has over 500 jobs, including cleaning your blood and helping you digest spooky treats! 🎃❤️

## DID YOU KNOW?

Clara helps you see clearly—without her, the world would be one spooky blur!

## DID YOU KNOW?

Your heart beats over 100,000 times a day—like a loyal drum keeping you alive! ❤️🦇

## DID YOU KNOW?

Percy helps balance your blood sugar—especially after a candy-filled Halloween! 🍬⚖️

## DID YOU KNOW?

Tendons connect your muscles to bones—they help you run, jump, and dance like a Halloween zombie! 🧟🧟♂️

## DID YOU KNOW?

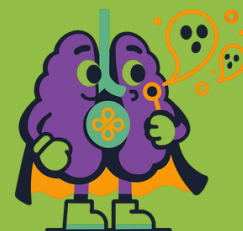

Your kidneys clean your blood over 50 times a day—they're like superhero filters! 🧼🦹♂️

## DID YOU KNOW?

Bone marrow makes millions of new blood cells every second—it's like a potion factory inside your bones! 🧪🧴

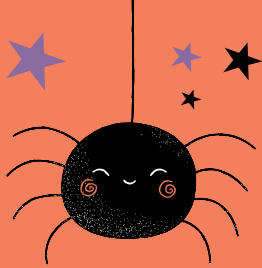

## DID YOU KNOW?

Your lungs help you take about 20,000 breaths every day—even when you're sleeping or trick-or-treating!
