

FIND THE DIFFERENCES

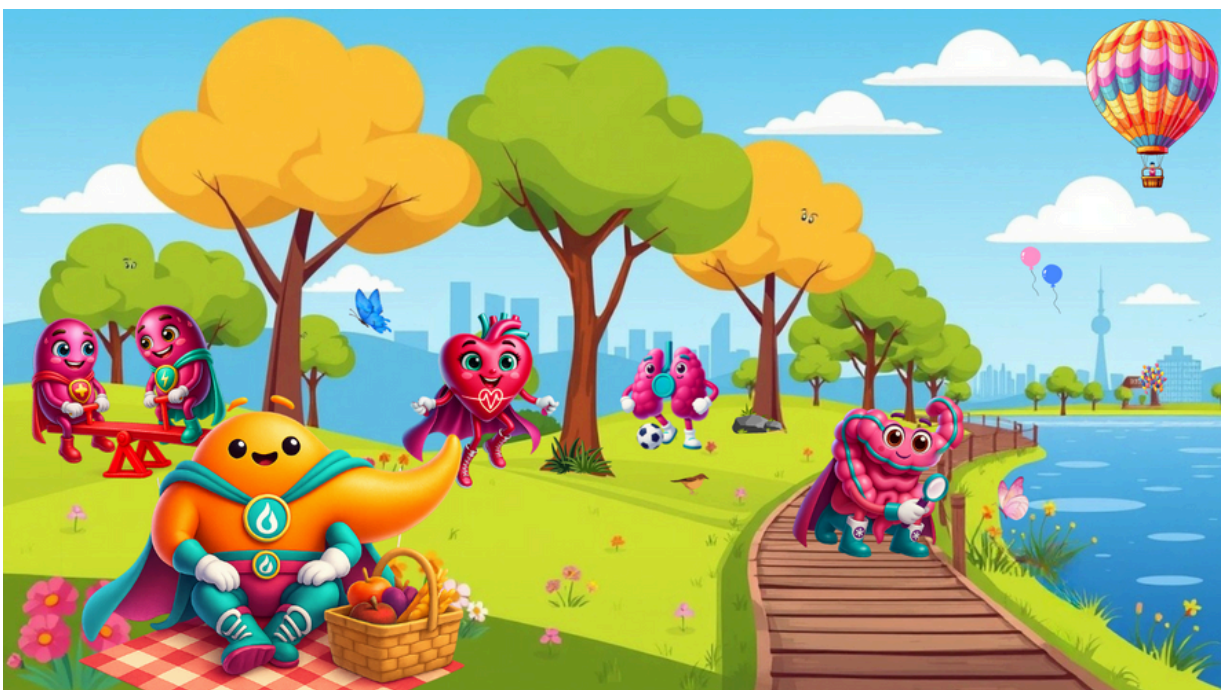

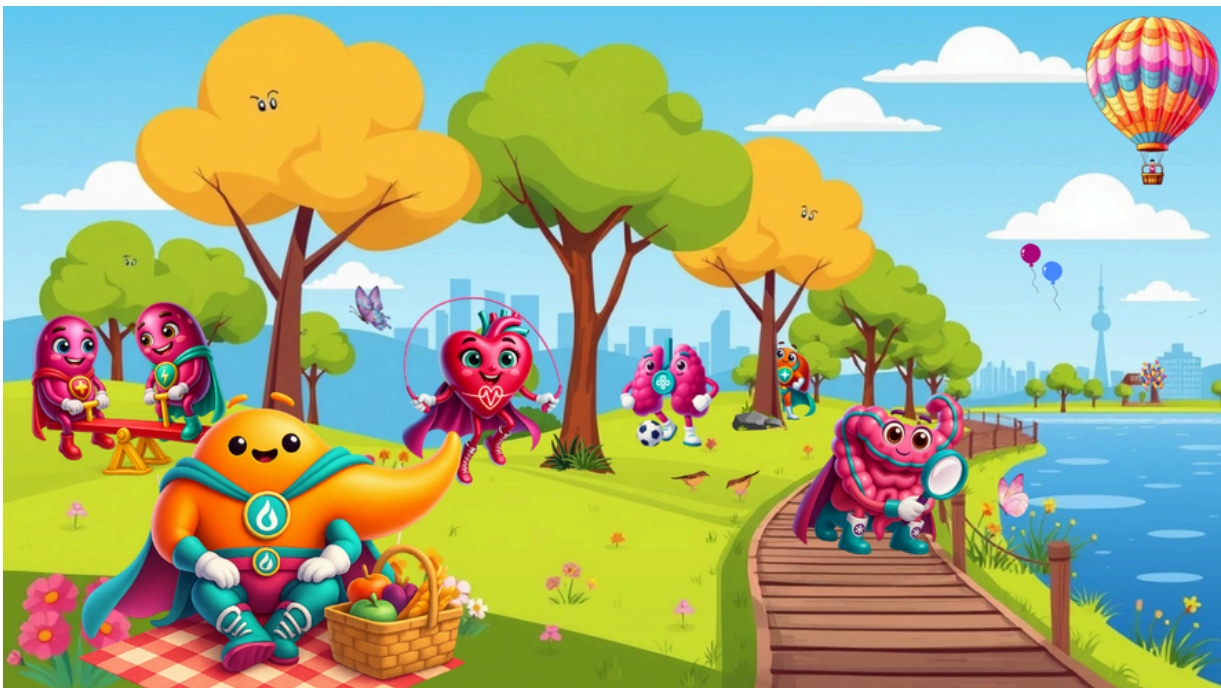

Train Your Eyes Like a Donate Buddy Detective! 🔍🧠

Hey there, observation experts! 👁️🌟

Think you've got what it takes to spot the sneaky changes? It's time to test your focus and attention in this super fun Donate Buddies challenge!

✳️ How to Play:

1. Look closely at the two Donate Buddies park scenes side by side.
2. Can you find what's different in the second image?
3. There are 12 tricky differences to spot—some are missing, moved, or just a little bit off. Can you find them all?

🧠 This activity helps train your brain, boost your focus, and have fun while learning about teamwork, kindness, and the importance of organ and tissue donation! ❤️
