Activity 2: THE "EVIDENCE" (The Key Fact)

Task: As "Body Investigators," we must look at the evidence. This is the most important clue in our entire unit.

EVIDENCE A: When a family knows their loved one's heroic wish (their "Hero's Echo"), they say "YES" 8 out of 10 times.

EVIDENCE B: When a family has to guess their loved one's wish, they only say "YES" 4 out of 10 times.

Investigator's Analysis: What does this evidence tell you about why the "Hero's Echo" (the conversation) is so important?
