## Medical Ambassador Position Description – Healing Heroes

**Position Title:** Medical Ambassador – Healing Hero

**Location:** Remote / Online (with opportunities for in-person engagements)

**Commitment:** Flexible hours – based on availability

**Reports To:** Founder

### About Donate Buddies:

At Donate Buddies, we believe every child can be a hero and that learning about organ and tissue donation can be fun, magical, and empowering. Through creative resources, Captain Buddy, and a community of passionate supporters, we inspire young hearts to understand the life-changing power of organ donation.

### Role Overview:

As a Medical Ambassador, you will play a crucial role in educating children, parents, and educators about the life-saving benefits of organ and tissue donation. You will bring your medical expertise and passion for helping others to create accurate, yet simple and engaging content that empowers kids to understand and embrace organ donation. You'll help guide our mission to normalise organ donation in a fun, safe, and compassionate way.

### Key Responsibilities:

- **Create Accurate, Child-Friendly Resources:** Develop and review educational materials (articles, videos, guides, etc.) that explain organ and tissue donation in an age-appropriate way for kids aged 5-16.
- **Provide Medical Expertise:** Offer insights into organ donation processes, medical procedures, and how donation saves lives to ensure all information is medically accurate, clear, and accessible.
- **Collaborate with the Team:** Work closely with the Donate Buddies team (including Captain Buddy) to brainstorm, create, and update content that resonates with young audiences.
- **Engage with the Community:** Participate in virtual or in-person events, speaking engagements, or Q&A sessions where you'll interact with kids, parents, and educators, answering questions in a friendly and approachable way.
- **Advocate for Organ and Tissue Donation:** Actively promote the importance of organ donation within your medical community, encouraging others to get involved and support the mission.

**Position Title:** Medical Ambassador – Healing Hero

**Location:** Remote / Online (with opportunities for in-person engagements)

**Commitment:** Flexible hours – based on availability

**Reports To:** Founder

### Skills & Qualifications:

- **Medical Background:** You must have a medical background (e.g., doctor, nurse, transplant specialist, etc.) and be passionate about educating others on the importance of organ donation.
- **Child-Friendly Communication:** Ability to break down complex medical information into fun, simple, and age-appropriate language that will engage and inspire kids aged 5-16.
- **Creative Thinking:** Ability to think outside the box and collaborate with a creative team to create fun and engaging resources, stories, and activities for kids.
- **Passion for Education & Advocacy:** A genuine desire to teach kids about the magic of organ donation and to advocate for organ and tissue donation within your community.
- **Empathy & Compassion:** A caring nature and the ability to connect with children, families, and educators with kindness and empathy.

### What We're Looking For:

- A medical professional with a passion for education and organ donation advocacy.
- Someone who can create resources and content that resonate with children and families.
- A team player who is excited to collaborate with Captain Buddy and the Donate Buddies community to create fun, magical learning experiences.

### How to Apply:

If you're ready to inspire young heroes and help spread the life-saving power of organ donation, we'd love to hear from you!

Send your resume and a short description of why you'd be a great fit for the Medical Ambassador role to [admin@donatebuddies.com.au](mailto:admin@donatebuddies.com.au)
