

Donate Buddies Easter Egg Hunt

Find the Life-Saving Surprises! 🐣 ❤️ 🌈

Welcome, Little Heroes! ✨

Hop into the magic of Easter with a Donate Buddies twist! This isn't your ordinary egg hunt – it's an adventure filled with heart, hope, and fun facts about how our bodies work & the gift of life. And instead of the usual Easter bunny... meet our cheerful Hero Hopper – Donate Buddies' life-loving bunny who shares kindness, courage, & curiosity everywhere he hops!

🎨 What You'll Need:

- ✓ Easter eggs (real or plastic)
- ✓ Treats or toys to hide inside
- ✓ Little paper scrolls with fun facts or mini challenges (see below!)
- ✓ A map or clue cards (optional)
- ✓ Your Hero Hopper spirit! 🐰

🌍 How to Play:

- Grown-ups hide eggs around your home or garden.
- In each egg, place a treat plus a Donate Buddies fun fact or silly challenge.
- Give kids a clue or map – or just let them explore!
- Each time a child finds an egg, they open it, read the surprise, and complete the fun challenge.

✂️ Example Fun Facts & Challenges:

- “Your kidneys help clean your blood – now jump like a kidney bean 5 times!”
- “True or False: Your lungs are inside your tummy?” (False!)
- “Say one kind thing you'd tell someone waiting for a transplant.”
- “Wiggle like a jellybean for 10 seconds!”
- “Your heart beats all day long – put your hand on your chest and feel it!”

Meet Hero Hopper!

Hero Hopper is our brave Easter bunny who teaches kids about the importance of helping others, especially through organ and tissue donation. He loves adventures, laughs, and learning – just like you!

 Don't forget to share your egg hunt fun with us using #DonateBuddiesEaster!

Let's hop into Easter with hearts full of kindness and pockets full of joy!
