

# Position Description

## Education Ambassador Position Description – Knowledge Champions

- Position Title:** Education Ambassador – Knowledge Champion
- Location:** Remote / Online (with opportunities for in-person engagements)
- Commitment:** Flexible hours – based on availability
- Reports To:** Founder

### About Donate Buddies:

At Donate Buddies, we believe that learning about organ and tissue donation can be a fun, magical, and empowering experience for kids aged 5–16. Through engaging resources, Captain Buddy, and a community of compassionate advocates, we inspire young minds to understand the life-changing impact of organ donation.

### Role Overview:

As an Education Ambassador, you will be a Knowledge Champion, helping children, parents, and educators discover the importance of organ and tissue donation in an inspiring and age-appropriate way. You'll use your expertise in education to create engaging resources and tools that make complex topics feel fun and approachable. Your work will empower young heroes to see organ donation as a superpower that saves lives and builds compassionate communities.

### Key Responsibilities:

- **Develop Child-Friendly Resources**
  - Design and review interactive educational materials, such as worksheets, games, presentations, and lesson plans tailored for kids aged 5–16.
  - Ensure resources align with educational standards and are easy for teachers and parents to use.
- **Provide Educational Expertise**
  - Curate accurate, clear, and inspiring information about organ and tissue donation that is accessible to young audiences.
  - Help shape Donate Buddies' storytelling to make learning about donation exciting and magical.
- **Collaborate with the Team**
  - Work alongside the Founder and the Donate Buddies team to brainstorm ideas and craft content that resonates with children and educators.
  - Contribute to workshops, webinars, or school presentations to promote the Donate Buddies mission.

# Position Description

## Education Ambassador Position Description – Knowledge Champions

- Position Title:** Education Ambassador – Knowledge Champion
- Location:** Remote / Online (with opportunities for in-person engagements)
- Commitment:** Flexible hours – based on availability
- Reports To:** Founder

- Engage and Advocate
  - Support parents and teachers by providing guidance on how to discuss organ donation with kids in a way that feels safe and empowering.
  - Be an advocate for Donate Buddies in educational communities, encouraging others to join the mission

### Skills & Qualifications

- **Background in Education:** Experience as a teacher, curriculum developer, or educational specialist, with a passion for creating impactful learning experiences.
- **Engaging Communication:** Ability to explain complex topics in a simple, fun, and magical way that excites children and inspires parents and teachers.
- **Creative Problem-Solving:** A knack for developing innovative and interactive tools that make learning an adventure.
- **Passion for Advocacy:** A genuine desire to normalise organ and tissue donation through education and build compassionate communities.
- **Empathy and Understanding:** A caring and supportive approach to working with children, families, and educators.

### What We're Looking For

- A passionate educator who loves empowering young minds.
- Someone who can create fun and engaging content that inspires the next generation of heroes.
- A team player who is excited to collaborate with Captain Buddy and bring Donate Buddies' mission to life.

### How to Apply

Ready to make a difference? Here's how you can become a Knowledge Champion: Send your resume and a brief description of why you'd be a great fit for the Education Ambassador role to [admin@donatebuddies.com.au](mailto:admin@donatebuddies.com.au). This is a volunteer role. Let's work together to inspire young heroes and spread the magic of organ donation!
