## Activity 2: Designing the Legacy Artifact (Visual Arts Link)

**Task:** Now, design a small, symbolic artifact that represents your chosen concept from Activity 1. Your design must clearly communicate the idea without using many words.

- If you chose The Master Key, you might draw a simple key unlocking a door.
- If you chose The Domino Effect, you might draw a single drop of water creating ripples.
- If you chose The Gift of Time, you might draw a clock with a "RESUME" button.

**Draw your artifact in the space provided. (This will be created using craft supplies and sealed in the Time Capsule.)**
