

Body Investigators: The Case of the Stolen Time

(Year 5 - Ages 10-11):

Lesson 4 of 9

Name: _____ Class: _____

Student Worksheet

Activity 1: THE "PROBLEM"

Task: Before the "Hero's Echo" was heard, the person in our story was "stuck." What "time" or "adventures" were "stolen" by their illness? List 3 things they couldn't do. (Think: What "Dream Adventures" from their "Treasure Map" were on hold?)

Mission: To investigate "The Case of the Stolen Time." We will listen to a "Hero's Story" (e.g., "The Gift of Sight") and analyze the evidence to understand how the gift of donation gives back the "Treasure of More Time."

Student Worksheet

Activity 2: THE "SOLUTION" (The Investigation)

Task: Analyze the evidence from the story to identify the "how."

1: What was the heroic gift that provided the solution? (e.g., "The gift of a new...")

2: Was this gift an Organ (a "machine") or a Tissue (a "material")? (Check your notes from Lesson 1!)

3: Which "Process Pathway" (from Lesson 3) did this gift follow? (Circle one) A) The "Organ Pathway" (the high-speed relay race) B) The "Tissue Pathway" (the one with the "Tissue Bank")
