

Buddy Costume Match-Up

A Spook-tacular Memory Challenge!

Hey there, spooky-smart superheroes!  

Are you ready for a frightfully fun Halloween memory challenge?

The Donate Buddies have dressed up in amazing costumes... but oh no! The cards got all mixed up! 

Can you flip, remember, and match each Buddy with their perfect Halloween outfit?  

 How to Play:

 Step 1: Print and cut out all the Donate Buddy cards and their matching costume cards.

 Step 2: Shuffle all the cards and lay them face down in a grid.

 Step 3: Take turns flipping over two cards at a time. One should show a Buddy, and the other a costume. Try to find the matching pair!

 Step 4: If the cards match, you keep the pair! If not, turn them back over and let the next player try.

 Step 5: Keep playing until all the pairs are found. The player with the most matches wins—or work together as a team!

- Scissors 
- A flat surface
- Your sharpest memory skills!  

 You did it! You've just helped the Donate Buddies get ready for their Halloween party—and proved you're officially Spooky Smart!
